Sir:

Responding to a Notice of Drawing Inconsistency mailed October 8, 2004, applicants provide herewith an expanded description of the drawings referring to Fig. 5A. The Notice dated October 8, 2004 referred to Fig. 6 and 6A. It is believed that this is an error in that Fig. 5 was originally listed in the brief description of the drawings as well as Figs. 6A, B and C. However, it was noted that Fig. 5A was not listed.

The attached proposed addition to the Brief Description of the Drawings, it is believed, responds to what was intended in the Notice of Drawing Inconsistency.
